

Globovation IT

“Global Vision, Innovative Solutions”

Overview

Globovation IT Solutions LLP was founded in 2025 by **Mr. Rahul Sharma** & **Mr. Nagesh Chandra Yadav** with the vision of delivering comprehensive **Information and Communication Technology (ICT)** solutions to businesses across all industries and throughout India.

With a Strong PAN India Presence

Globovation stands as a leader in the digital domain, offering **unparalleled expertise** and **cutting-edge ICT services**. We take pride in being **true innovators**—constantly redefining technology-driven business transformation.

About Globovation IT Solutions LLP

Welcome to Globovation – your trusted partner for **ICT and event management solutions in Delhi NCR and across India.**

As a 100% Delhi-owned and Operated Company

we take pride in delivering **top-quality, timely, and cost-effective ICT services** for both **domestic and international clients.** Our focus is on offering **customised, results-driven solutions** that align with each client's specific business needs.

At the dynamic crossroads of **business and technology**, Globovation is your **go-to partner** for **end-to-end ICT and event solutions.** Our experienced team combines **innovative technology** with **strategic utilization of existing assets** to deliver **high-value, scalable, and future-ready outcomes.**

About Globovation IT Solutions LLP (Contd.)

Our **Research and Development (R&D)** team continually explores emerging technologies to create optimal solutions.

What truly sets us apart is our **dedicated workforce**, capable of developing **customised solutions quickly and efficiently**, even under tight deadlines

At **Globovation**, we are more than service providers – we are **enablers**, empowering businesses to **harness the full potential of information and technology**.

Our Vision

At Globovation, our vision is to lead in **ICT and managed event services** through **tailored, cost-effective communication solutions** while building **long-term partnerships** with our clients and collaborators.

We are committed to delivering **maximum value** at **competitive prices**, ensuring **innovation, efficiency, and customer satisfaction** at every stage

Join us on a journey where innovation meets efficiency – and your success becomes our commitment.
